

Courses for Parents/Therapists

Strategies for Sensory Integration

This workshop will provide the participant with an introductory understanding of sensory processing and how it impacts on a child at home and school. It will include:

- An overview of the process of sensory integration
- A description of the types of problems seen
- Strategies to help children in school and at home

When: May 28, 2008

7:00-9:30 pm

Where: Island Therapies 1 Brandywine Drive, Deer Park, NY 11729

Cost: \$40.00

Strategies for Picky Eaters

This workshop will provide the participant with a step by step approach to address the most challenging problem feeders. It will include an overview of

- The normal development of feeding
- Sensory integration as it relates to feeding
- "typical" picky eaters versus "problem feeders"
- Assessment of feeding skills
- Island Therapies' [Food Repertoire Expansion Program \(FRE\)](#)
- Treatment strategies and carryover

When: June 4, 2008

7:00 – 9:30 pm

Where: Island Therapies 1 Brandywine Drive, Deer Park, NY 11729
